## cases

---

In 2009, PT. Sintang Raya got its HGU for 11.129.9 ha of lands, which occupied peoples' lands of Olak-olak kubu, as well as the lands of a number of villages: seruat, mengkalang guntur, sui selamat, sui ambawang, and dabong. The company took the lands through illegitimate transfer of land by the village government, unfair compensation, some unfulfilled promises. PT. Sintang raya also took over a part of PT, CTB consession area of 801 ha in 2007, while PT. Citra Tumbuh Berkembang had been running its operation in Olak-Olak Kubu land before it was taken over.

# The problem

---

## 1. Economic aspects

Before the entry of companies, the Olak-olak community farming to meet life necessities, but when the companies have business license in their village, they have no land to farming, so they become oil palm plantation workers. They are on the cheap pay, The company does not meet the agreement on the initial agreement with the community when the community submit their land to the company.

## 2. Social aspect

---

There is division between communities. There are people who agree with the company and there are people who do not agree, they felt in unfair treatment by company and they demanding their rights. So, in communities, people blame each other. Whereas before the company entered the community mutual help each other.

### 3. Legal aspects

---

Communities there is not agree with the company and demanding their rights, 75 people got intimidation dan criminalization, 10 people imprisoned ( also abused / harmed ) without a clear legal settlement. Families member who become victims felt trauma ( mostly woman and children ) as an impact and terror the community moved to several place and also went to Komnas HAM Pontianak.

The HGU of PT.Sintang Raya suspended by the local Court but until right now, the company freely and still continue the intimidations to the community.
